A ROMAN SCANDAL .- A rest dal is agitating the Reman aristocracy. The celebrated ducal house of Litts-Visconti-Arese has renounced its Lulian nationality. The Duke married Countess Rosa Tarsis, a noted beauty, by whom be had two daughters, some time afterwards a bey. The Duke repudates the boy's paternity, and accuses a very high person. He has es tablished the fact in the courts that the child is not his, bu, as divorce does not exist in Italy, the Duke has become a French citizen, and has insti-tuted proceedings against his duchess on statutory grounds, naming King

Humbert as cc-respondent.

It is probable that the suit will be undefended. The intimacy between the king and the duchess is known from one end of Europe to the other. It existed several months prior to his marriage and continued afterward. Tre indignation felt by Queen Margu r t., who at that time bore the title of Pritcess of Piedmont, was intensified by the fact that the duchess had man envered so as to secure the position as one of her ladies in waiting, and thus formed part and parcel of her house-

FROM THE ALASKA GOLD REGIONS .-A dispatch from Skaguay, Alaska, says: Captain Wood, in command of the ditachment of Northwest mounted police, warps all persons en route to the Klondike that they will not be permitted to pass Tagish House unless each person has at least 600 pounds of provisions. Building operations are being pushed night and day. Some of the tuil ling sere hotels and lodging houses, more are datce hells, variety thertres and sa-loons. Each incoming steamer brings hundreds of people, but it is almost impossible to secure hotel or lodging house accommodations. The restau rants, saloons and gambling houses are thronged day and night while general business is good. The first public school was opened last Monday in the new church building. The first marriage to take here was celebrated Japuary 1st, the groom being Patrick Boynes, and the bride Miss Jennie Mack.

Twenty men have arrived at Juneau from Dawson. Some of them have been in the interior of Alaska for ten years. They unhesitatingly state that there is no danger of starvation and no necessity for a government relief expedition.
